MPD (3). 1. Hawkins', Veldtkammer Hot Shot. 8 months old. Pleasing head and expression. Good overall make and shape.
2. Campbell's, Imbali Jaeara at Nyassa. 9 months old Liver nose. Had not quite as good a topline or feet as winner.
3. Parke and Pearce's, Veldtkammer Red and Dead.
PD. (4). 1. Jeffrey's, Ozubi's Lewis. 11 months old very well made with good depth of chest and decent hind angulation. Best mover.
2. Moore and James's, Ozubi's Jenson. Not the presence of winner and did not move to well behind.
3. Vobes and Webber's, Veldtkammer Roll Em Over.
JD. (8). 1. Mackfall's, Kelshanti Senator of Africaner. 12 months of super make and shape and accordingly went well. Liked his head and expression.
2. Muir's, Kiromol It's All About Me at Kikeba. I felt I had to penalise this lovely dog on his crowns but hated doing so as he outclassed his competitors in all other respects.
3. O Jenson.
SYD. (1). 1. Rhodes's, Voorlooper Rude Not to of Metalrock. Stood alone. Not a lot of him and moved a bit close behind.
ND. (4). 1. Rhodes's, Janak Jago of Metalrock. Strong 5 year old giving his young handler a hard time. With training I'm sure this handsome dog of such good type could do well.
2. Dillon and Ashman's, Eilack Kaan. Very dark wheaten not disgraced to stand behind such super type.
3. Nolan's, Harambee Ku-Dume.
PGD. (7). 1. Welch's, Space Explorer. Big upstanding very sound boy who moved well and I preferred his head to second.
2. Parrott's, Marondera Jubilant Jelant. Moved well, but not as confident in stance and possibly a bit short in muzzle.
3. Maclean and Clark's, Veldtkammer Golden Balls and Callmn.
LD. (17). 1. Reid and Meikle's, Rejan Top Gun. Filled my eye as soon as I saw him and did not disappoint when moving. So strong and sound. Masculine but not coarse. Super colour. Fought very hard in the final, his time will come. RCC.
2. Raymond's, Sofala Sabo. Very smart with quality allover. He also moved very well.
3. Lynn's, Tsjakka Just Joey.
OD. (14). 1. Webster's, Ch. Ngoma Uzuri of Umbart. What a great red dog. Red/w, super type all through. A joy to see moving round the big ring. CC and BOB.
2. Wilcox's, Kenmilouin Dalmar at Belstone. Lovely big boy full of character. Feet spread let him down.
3. Maidment's, Shombay Shamakani of Amahle.
VD. (6). 1. Carlton's, Ch. Umhlandla Luwamba. 7 and a half years old. Easy winner on type alone. Not surprised to see his title.
2. Hodge's, Am/Mex/F/Ch. Columbia Blue Sky of Courage. Very sound but a bit plain in head. 3. Maidment's, Mirengo's Muchudi of Osebent.
MPB. (7). 1. Swales's, Mwani Sauda. 8 months old dark masked r/w with super front and feet. Very compact and sound. Textbook ridge. Must have a good future. Great temperament. BPIS.

2. Lowson's, Veldtkammer Hot Gossip.
PB. (7). 1. Dunn's, Tukela Zahra. Lovely type who went well. Rich colour without being too dark. Good legs and feet.
2. Bates's, Gunthwaite One Cool Diamond. Close up to winner and again good rich colour. Well boned legs and feet. Went well.
3. Meredith and Evans's, Sofala Dancin Starlight of Ardchelle.
JB. (7). 1. Whitelock's, Oakmeeli Koshka Brody. Strong headed with perhaps too much wrinkle but compensated with good bone and feet with excellent ridge.
2. Raymond's, Sofala Scarlett Dancer. Smart but not terribly confident.
3. Smith's, Makibos Kilimadscharo.
SYB. (5). 1. Nelson's, Zougani Xhara. Not an easy class to judge all so different. Nicely built solid bitch.
2. Gilfillan's, Rejan Xquisite. Head did not please.
3. Farleigh's, Kiabula Kibali Kitambi.
NB. (5). 1. Gray's, Kijivu's Khla. Not overbig but very well put together and neat. Went well. Excellent ridge.
2. Ensor's, Monduru Henje Shugee of Saffronridge. Free moving bigger bitch. Close decision.
3. Meredith and Evans's, Sofala Dancin Starlight of Ardchelle.
PGB. (17) 1. Parson's, Priorpark Yaktnt. 2 and a half years old l/w in great nick. Strong but not coarse. Super body. Lovely head and expression. She really caught my eye and pressed so hard for the ticket but went home with the RCC.
2. Brien and Young's, Jengachenga Bold As Brass for Tmanje. 22 months old r/w. Very close up on general good type and fitness.
3. Dawes and Brennan's, Neelanjali Arora Butterfly. The first 5 selected from this big class had by far the best movement.
LB. (18). 1. Storey's, Kiromoltallulah Belle. My notes say "Cleo" which brings to mind an old fashioned type (no offence). L/w 2 year old so soundly built and moved accordingly. Not overdone in any way and really gave her all in the challenge.
2. Everitt's, Lobengula Ruby Wednesday. Very smart 5 year old. Streamlined, great legs and feet.
3. Gilfilan's, Rejan High Flyer.
OB. (14). 1. Harrow's, Jimanns Jiggy Jiggy. 4 years old elegant but solid on good legs and feet. Adequate rear angulation. Excellent mover. She really stretched out round the ring. It wasn't an easy win for the CC and I can quite see why she may get overlooked, but the more I looked the more I liked, she is just so typical. Hope her other tickets come soon.
2. Morris's, Bruet Sing the Blues to Kasenga. 5 years old going well. So many to like in this class.
3. Hodge's, Am Ch/Am/Gr Ch. Veldtkammer Assle Me Litely.
VB. (4). 1. Morris's, Ch. Bruet Song of Kasenga. Stylish 9 and a half year old went really well with that certain panache that comes with age (or so I tell myself). BV.
2. Cairns', Rooinek Tintaglia.
3. Nash's, Ch. Mirengo's Maiya with Mutoko.
